We hope you have found a drink of your choice and that you will enjoy the ambience and atmosphere of McGettigan's Limerick.

May we leave you with these thoughts...

"According to Chemistry, Alcohol is a Solution."

*"I used to think drinking was bad for me,
so I gave up thinking."*

*"Alcohol won't solve your problems.
Then again, neither will Milk."*

*"Drink because you're happy,
not because you're miserable."*

*"It doesn't matter if the Glass is
half full or half empty.
There is clearly room for more."*
